If you do not get accepted in to your preference above, would you like to be in Concert Choir? Y or N

Describe any previous music experience:

I understand that I am applying to be part of an auditioned choir at Arundel High School and that, if I am accepted, I will be required to attend performances and/or rehearsals outside the school day. I also understand that I must use part tracks to learn my part for homework and that part checks will be a component of my course grade.
